INTRODUCTION

In this time of stress when the whole world is being shaken to its foundations by the turmoil of war, it is absolutely necessary that every force and factor that tends to the economic and agricultural development of the State shall be brought into full and perfect operation. The North Carolina Agricultural Society for fifty-seven years has been an important factor in the progress and development of the State. As never before the power of our State Fair to spread the gospel of good farming and to encourage the production of food stuffs must be used to the utmost. Uncle Sam will defeat Prussianism and will feed the world, but the task is a gigantic one and every man with an acre of land or even a small garden should plant for food. Send your stuff to the State Fair and let others see it. Come to the State Fair and see what others can do, and learn how to get the most from field or garden. The State Fair is a school for farmers.

Conservation and coöperation are the watchwords—Save the waste and win the war. Coöperation is one of the greatest forces in civilization. Conservation and coöperation mean success.

The management of the State Fair is trying hard to make each Fair more and more of a help in economic progress, and every one is invited to come and study the lessons it teaches—remember, this is **YOUR FAIR AND DEPENDS ON YOU.**

Many thousands of dollars are offered in premiums, and the List has been carefully revised and enlarged. Especial attention is called to the great increase in the Poultry Department. Practically all breeds in the American Standard of Perfection are now included, and a department for Boys' and Girls' Poultry Clubs has been made. Also a change is made in the Boys' Corn Clubs Department, whereby the State is divided into three sections, and the mountain counties will no longer compete with the coast counties, except for sweepstakes. A new department for the benefit of the Boys' Pig Clubs has been created, and will no doubt be a great stimulus to this important work.

The interest in the County Agricultural Premiums and the Agricultural Display Premiums is so great that it has been necessary to limit exhibits to sixteen feet front space. It is the hope of the Fair management that counties will select the prize winners at the local County Fairs to compete for the premiums at the State Fair.

The premiums on fruit and horticultural products have been largely increased, and are now under the direction of the State Horticulturist, Mr. W. N. Hutt.

An examination of the Premium List will show that the officers of the State Board of Agriculture, of A. & E. College, and the local officers of the United States Department of Agriculture are coöperating actively in the work of the Fair.

A handsome new building with all conveniences has been erected this year for the accommodation of the work of the women of the State, particularly in canning, preserving and home economics; to this building has been added a Better Babies Annex, thoroughly equipped for this highly beneficial work of inspecting babies and correcting any defects. This work will be on a larger scale than ever before.

The Midway will be absolutely clean, and will be better than ever before, and will be under rigid and constant supervision. Violators of the rules will be promptly ejected from the grounds. The attractions will surpass anything heretofore attempted in this State.

The railroads will operate trains at popular prices and on convenient schedules. For full information as regards space and exhibits, concessions, etc., write to

JOSEPH E. POGUE,
Secretary.

1. Competition is open to the world, except in instances specified.
2. The gates will be opened for admission of visitors at 8 o'clock a. m., each day and closed at 6 p. m.
3. Employees of the Fair (including police) must wear badges, and day force must be at their posts at 8 o'clock a. m. each day of the Fair and remain on duty till 6 p. m.; night force will be on duty from 6 p. m. to 8 a. m.
4. Every reasonable effort will be made by the officers of the Society and those in charge of the grounds to protect property on exhibition from loss or damage, but the Society will not hold itself responsible should loss or damage occur.
5. Possession of firearms or intoxicating liquors will subject person or persons having the same to arrest.
6. No peddling, hawking, or selling of any kind, or distribution of advertising matter will be allowed except by license from the Secretary.
7. No article or animal will be entitled to space until the proper entry has been made. After an article or animal has been entered, it cannot be removed until the close of the Fair.
8. Each department will be under the special charge and control of its Director.
9. Exhibition of articles not mentioned in the Premium List is solicited. These will be entered in the books, assigned to proper departments, and reported on by judges, who can not award premiums thereon.
10. Premiums may be withheld for misrepresentation or failure to comply with rules.
11. Exhibitors must provide, at their own cost, all showcases, shelvings, counters, fittings, etc., which they may require.
12. Exhibitors' business cards, pamphlets, circulars, samples, etc., may be placed and be distributed from within the space allotted. Exhibitors may sell goods during the Fair, but no article on exhibition shall be delivered until after the close of the Fair.

14. No money can be accepted by gatekeeper. Admission is only by ticket or official badge.
15. Life members will receive admission tickets, during life, admitting member, wife and children under fifteen years of age; tickets presented by person not entitled to same will be forfeited.
16. The Society makes no charges for space on exhibits of live stock or agricultural products grown in North Carolina. No entrance fees are required except in the Poultry Department. Ten per cent of premiums aggregating five dollars or more will be retained as entrance fees, except in the Poultry Department; the required fees must accompany all entries of poultry and pet stock. See Dept. C.

ENTRIES.

17. The entry books will be open at the office of the Secretary of the Society in the city of Raleigh from September 15th to and including the

Friday next before Fair Week, and at the Secretary's office at the Fair Grounds on Saturday and until 12 M. on Tuesday, except when otherwise specified in department headnotes, when entries will close.

18. Entries may be made in person or by proxy. In making entries it is necessary to give the name of article, the name and postoffice address of the exhibitor, and the premium number under which the article entered is to compete.

19. All articles which are the product of the soil must be entered in the name of the producer. Those showing handiwork or skill must be entered in the name of the one whose skill they exhibit; such may be individuals, firms, or factories. They must have been made within three years and not exhibited at any former Fair of this Society. All other property must be entered in the name of the actual owner.

20. The same article can not compete for the premiums of two or more premium numbers except when otherwise stated in the head notes of the department in which it is exhibited and shall not be awarded more than one premium under the same number.

21. All entries will be numbered and recorded in the books of the proper department, and corresponding entry tags and property checks will be issued, the tags to be attached to the exhibit before installation.

22. No person will be allowed to see the entries or have access to the entry books until after the awards have been made.

23. Persons from a distance desiring to exhibit textile goods and art work may ship their goods to the Secretary prepaid, but in no case will he or the Society be responsible for any damage or breakage. Goods so shipped must be directed to the Secretary, "Main Gate, Fair Grounds," and must arrive not later than Saturday preceding Fair.

24. With entries of pure bred horses, cattle, sheep and swine complete bona fide information must be given according to entry blank enclosed. Penalty for false statement will be exclusion from competition or forfeiture of premium.

25. Exhibitors must see to the proper delivery of articles and live stock on the grounds, and to the proper care of the latter, as no charge for transportation or drayage will be paid by the Society.

EXHIBITS AND PREMIUMS.

26. Exhibits not fully installed by 12 o'clock Tuesday of Fair Week will receive no attention from the judges; no obnoxious or repulsive objects will be admitted. Exhibitors will be required to keep their spaces and stalls clean.

27. The premiums are designated by ribbons—blue meaning first; red, second; and white, third premium. These ribbons will be attached only by the director of each department after judges have made their awards and the same have been approved by the director. Premiums are paid only in accordance with the official award books, and are payable within thirty days after the close of the Fair.

DIRECTORS AND JUDGES.

28. The judges shall be furnished by the Secretary with a list of all entries in their respective departments and books in which their awards are to be recorded.

29. Should any of the judges previously selected fail to be present, the director of each department is authorized to fill the vacancies.

30. No one directly or indirectly interested will be allowed to serve as judge, nor shall a member of the Executive Committee act as a judge or umpire.

31. Judges are specially instructed not to award premiums to any animal or article because of its presence; it must be individually worthy.

32. When two subjects are deemed by the judges of equal merit, and when to either, if alone, the premium would be awarded, in such case the award must be to divide the first premium equally between the two competitors.

33. The Directors in charge, except in the Poultry Department, shall accompany the judges when making the examination in their respective departments and furnish them with all required information. Premiums will not be paid exhibitors where it is proved that they accompanied the judges when awarding the premiums. The awards, when completed, shall be signed by the judges and attested by the Director, who will take charge of the book and return it to the Secretary. As the awards are made, the Director will attach the ribbon indicating the award.

34. Decisions of judges shall be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Society which may be filed with the Secretary before the premiums have been paid.

35. Directors and judges must not permit consolidation or change of exhibits after entries are booked.

36. Directors and judges are not authorized to agree to compromise in case of protest by any exhibitor.

SUPERINTENDENTS.

37. No superintendent may employ help without written authority of the management. Supplies may be obtained only on order from the Secretary.

38. Superintendents of departments will be at their posts on the grounds from 8 a. m. to 6 p. m. daily, from Monday through Saturday of Fair Week.

39. They will report erroneous entries to the Secretary's office.

40. Superintendents will point out to the judges the articles or animals to be inspected and cause the same to be displayed in their proper places.

41. They will see that no property is removed before close of Fair, and that property checks are detached from entry tags when property is removed.

42. The Society may use either the single or three-judge system, or both.

CONCESSIONS.

43. One ticket good for one admission each day of the Fair will be given for every ten dollars of concession money paid, and for each additional charge of ten dollars or fraction, not less than five dollars, one extra ticket, and no more.

44. Whips, slappers and other objectionable articles are prohibited.

45. Any concessionaire putting on any indecent or immoral act, or instituting any form of gambling, at any time during the Fair, will forfeit his license and be promptly expelled from the grounds.

LIVE STOCK.

46. Straw for bedding will be furnished by the Society, in reasonable amount, free. Arrangements have been made with a responsible party to sell feed on the grounds at market prices to exhibitors. The Society does not furnish feed except to the Poultry Department.

47. No animal used in a show or in the speed events shall compete for a premium in exhibition classes.

48. Thursday and Friday will be the days of the parade, and all stock must be in the parade, except where stock is not able to come out or is too vicious, and that to be decided by the superintendent in charge.

49. All animals must be exhibited in such place and at such time as the superintendent in charge shall direct.

50. Exhibitors shall furnish such information concerning their stock as may be required by the superintendent.

51. From 10 a. m. to 4 p. m. each day all stock must be uncovered and an attendant on hand to answer all questions politely.

POLICE.

52. Special policemen will be sworn in as conservators of the peace, and it shall be their duty to arrest any person creating any disorder or violating any of the rules and regulations of the Society or laws of the State.

The Proof of a Good Cigar Is in the Smoking El-Rees-so

What is the use of being told a lot of things about a cigar and cigar making that the experienced tobacco grower and manufacturer alone can understand.

The veteran cigar smoker will tell you that all the flavoring and doctoring in the world WILL NOT MAKE A BAD CIGAR GOOD. Unless the MATERIAL is there in the first place, all the skill of the manufacturer cannot produce a cigar that will smoke to the satisfaction of the man WHO KNOWS WHAT A GOOD SMOKE IS.

WOOD'S SEEDS

The farmer is up against more problems this year than ever before. The shortage and high prices of all food products, the scarcity of labor, and the necessity for keeping up and improving the fertility of the land, all make a situation that is puzzling to farmers to know as to the best crops to grow.

WOOD'S CROP SPECIAL

issued monthly, gives the latest and best information to enable our farmers and market growers to help solve their problems.

WOOD'S SEED CATALOGS

both Fall and Spring, are carefully revised each year, giving the latest and best descriptions and cultural information so as to enable farmers to determine intelligently what to sow and plant.

WOOD'S SEEDS are carefully grown, and obtained from the best possible sources of supply, and are examined and tested both as to purity and germination, so as to supply farmers, gardeners and market growers with the best quality seeds obtainable.

WOOD'S FALL CATALOG will be ready August 1st. We shall take pleasure in quoting prices on Seeds or mailing Catalogs and Crop Specials at any time on request.

Department A—Field and Garden Crops

Director, C. B. WILLIAMS, West Raleigh.

Each exhibitor for premiums 1 and 3 must supply the Secretary or Director of this Department on or before 9 a. m. Wednesday of Fair Week with a neatly written list of the products and varieties of the different crops contained in his exhibit.

No exhibit, whether for Premiums 1 or 3, will be allowed more than 16 feet frontage space.

In case of a tie premiums will be equally divided.

Premium No. 1—Best display of field and garden crops by any county in North Carolina:

First Premium.....	\$100.00
Second Premium	75.00
Third Premium	50.00
Next nineteen each	25.00

Every county exhibit must be made under the supervision of the county agent for the county, or some one else duly authorized by the county Board of Commissioners.

The exhibit must be composed of products taken from at least ten farms of the county. Only one exhibit will be allowed from any one county to compete for these premiums.

Premium No. 2—For the best judging of exhibits under Premium No. 1 by any farmer in North Carolina between the ages of 18 and 60 years,

First Premium.....	\$20.00
Second Premium.....	10.00

Premium No. 3—Best collective agricultural exhibit by any individual farmer in North Carolina. All the products exhibited must have been grown on exhibitor's own farm.

First Premium	\$75.00
Second Premium	60.00
Third Premium.....	40.00
Next thirteen each	25.00

CONDITIONS.—For Premiums Nos. 1 and 3—First, the exhibitors or duly qualified agents are required to make affidavit before 9 a. m. Wednesday of Fair Week and file with the Secretary of the Fair that the products exhibited were grown during the current year, in accordance with the requirements given above.

Second, that no premiums shall be awarded in either Nos. 1 or 3 when in the opinion of the judges, the exhibits are not meritorious in variety, quality, artistic arrangement and educational value.

Third, that the following scale of points shall be used by the judges in placing the awards on Premiums Nos. 1 and 3: Field Crops, 50 points; Garden Crops, 10 points; Home Industry, 10 points; Fruits, 10 points; Educational Value, 10 points; Artistic Arrangement, 10 points.

In making the awards according to this classification, especial emphasis shall be given to the quality of the field and garden crops, fruits, and to the excellence and practical utility of the home industry exhibit.

The educational value of the exhibit shall be construed to mean practical lessons that may be drawn from it by farmers or others with reference to certain methods of handling, marketing, growing, and selecting seed of the different crops; for instance, samples of corn might be exhibited showing the effects of a systematic, intelligent system of seed selection, upon the quality of the corn, as well as upon its yielding powers. Again, an exhibit that would show the effect of spraying apples as against unsprayed would have great edu-

cational value. The effect of growing leguminous crops upon crop yields might be shown concretely or graphically. This, too, would bring out a most valuable lesson to those farmers who might study the exhibits. Many other exhibits of this nature might be devised which would have great value from an educational standpoint.

A neat cloth sign, not exceeding 16 feet in length, should be placed above each exhibit under Premiums 1 and 3, giving simply the name of the county.

All premiums in this department marked A are given jointly with the Department of Agriculture.

FARM MANAGEMENT CONTEST.

- A 4. Handsomely engraved gold, silver, and bronze medals will be given as first, second, and third premiums respectively for the most efficiently handled farm, judged according to the following score card. The farms will be inspected and the books examined three times during the growing season. The final score will be made and the premiums awarded at the State Fair.

Information on the farm management contest may be had by addressing inquiries to Prof. J. M. Johnson, West Raleigh, N. C.

Farmers in Wake County desiring to enter this competition will make application to W. N. Hutt, Chairman of Fair Committee, Raleigh, North Carolina.

Premiums offered jointly with the State Board of Agriculture.

CANNING CLUB CONTEST.

Premiums are to be given for products canned or preserved according to club recipes and packed according to club rules and regulations. Quality rather than quantity will be stressed.

To add to a permanent exhibit of club products kept by the Division of Home Demonstration Work, the two best jars in any prize-winning exhibit of six jars will be retained without further remuneration.

Any single prize-winning jar will also be retained.

CORN CONTEST.

Offered jointly with State Department of Agriculture.

Instead of giving premiums for the greatest amount of corn grown on any one acre, the prizes are offered for the most prolific and best exhibits, to consist of ten ears accompanied by three stalks with ears attached.

In judging corn in the exhibits made in this Department the awards will be made according to the following scale of points:

Prolificacy	30 points.
Trueness of ear to variety type.....	20 points.
Market condition	20 points.
Character and uniformity of ears.....	15 points.
Character and uniformity of kernels.....	15 points.

(1) Prolificacy shall be interpreted as the total amount of shelled corn per stalk.

(2) Trueness of ears to variety type shall consider size of ears, color of grain and cob, and shape of ears.

(3) Market condition shall apply to the maturity of the ears, their sappiness, chaffiness, adherence of chaff to tip cap, adherence of tip cap to cob, plumpness of tips of kernels, soundness and lustre of kernels.

(4) In judging the character and uniformity of the ears of the exhibit consideration shall be given to length and diameter of ears, shape and filling out at butts and tips, straightness and arrangements of grain rows, purity of color of kernels, and space between grain rows.

(5) Character and uniformity of kernels shall apply to size and shape of kernels, size and condition of germs, filling out of space on the cob, color and purity of kernels, uniformity of kernels throughout length of ears and depth and width of kernels.

Department B 1—Horses

Directors:

R. S. CURTIS, West Raleigh.
(Animal Husbandman, N. C. Experiment Station, West Raleigh.)

SPECIAL REGULATIONS.

Animals may compete for all premiums to which eligible by breed and age. Certificates of registration for this section must be filed with the director of this department.

Exhibitors of horses will be required to test their animals under the direction of the judge or judges who may have charge of the class in which the entries are made. The director of this department has full power to rule out of competition all who do not comply with these requirements.

Horses to compete for premiums must be sound, except in cases of stallions or mares injured by accidents which do not impair them for breeding purposes.

The judges will discriminate severely against animals that have any hereditary or transmissible defect or unsoundness, such as bone spavin, ring-bone, curb (when accompanied by curby hock), cataract, string-halt, and roaring. All questions concerning soundness of animals shall be referred to a competent veterinary surgeon.

The ages of horses and foals will be reckoned from January 1st.

Director, BENEHAN CAMERON.
Ex-President National Farmers' Congress.

SPECIAL REGULATIONS.

All except grades must be registered in the recognized herd book of the breed in question, and certificates of registration filed with the Secretary. In all entries for grades, the sire must be registered and pure bred. Only residents of North Carolina can exhibit and take prizes in the grade cattle classes. Other classes open to the world.

Exhibitor's herd to consist of one bull, two years old or over; one cow, three years old or over; one heifer, two years old and under three; one heifer, one year old and under two; one heifer, under one year old.

Breeder's young herd to consist of one bull under two years and over one year; two heifers, one year old and under two, and two heifer calves under one year and over six months, all except the bull to be bred by exhibitor.

Calves under two months of age at time of exhibition will not be eligible to competition.

Animals may compete for all premiums to which eligible by age and breed.

The base dates for computing ages will be September in senior classes and January in Junior Classes.

A308.	Cows giving greatest number of pounds of butter-fat during a three-days test, ages being a factor..	\$15.00	\$10.00	\$5.00
-------	---	---------	---------	--------

Rules to Govern Butterfat Contest.

The supervisor shall see that the cow is milked dry at the preliminary milking immediately preceding the beginning of the test, and that the final milking of the test is completed eighty-four hours from the close of the preliminary milking. He shall receive, weigh, sample, and test the milk from each cow at each milking, and make record of this work, which must be kept under his own personal care. At the end of the test period the supervisor (who shall be under the direct supervision of the Animal Industry Division of the Department of Agriculture, Raleigh, N. C.) shall determine the amount of fat produced by each cow during the test period, and the animal producing the greatest amount of fat shall be entitled to first prize.

In order that a two-year-old heifer may compete with a mature cow the following rules will be followed:

Any heifer freshening at two and under three years of age will be given an advantage of three-tenths (.3) of a pound of butterfat per day.

Any heifer freshening at three and under four years of age will be given two-tenths (.2) of a pound of butterfat per day.

Any heifer freshening at four and under five years of age will be given one-tenth (.1) of a pound of butterfat per day.

Any animal five years of age or over will be considered mature.

SPECIAL REGULATIONS.

Stubble or otherwise improperly shorn sheep shall be excluded from competition.

All sheep entered for competition must be accompanied, when demanded, with an affidavit from the owners and exhibitors, sworn to before an officer authorized to administer oaths, to the effect that the sheep have been shorn since March 15, 1917, and the date of shearing must be given. Sheep must be owned by one individual or previously existing firm for at least thirty days prior to exhibition.

In all classes of pure-bred sheep such entry must be accompanied by a certificate of registry, attested by the secretary of the respective registry record to which its breed belongs, published in the United States of America, showing the animal offered in competition to be duly registered therein and comparing with the descriptive markings, labels and age described in the certificate. If demanded, affidavit must be made to that effect.

Animals competing for the individual premiums may also compete for the flock premiums, and for all premiums to which eligible by breed and age.

The base date for computing the age of all animals shall be September 1st.

Department B 4—Swine

Director, R. S. CURTIS, Raleigh.
(Animal Husbandman, N. C. Experiment Station.)

SPECIAL REGULATIONS.

Swine claiming pure blood must produce a satisfactory pedigree.

Exhibitors will be required to keep the ground fronting within ten feet of their pens clear and clean from all garbage.

Animals competing for the individual premiums may also compete for herd premiums.

Exhibitor's herd to consist of boar and three sows over one year old.

Breeder's herd to consist of boar and three sows under one year and over six months.

All swine exhibited at the North Carolina State Fair must be accompanied by a certificate approved by the State Veterinarian showing that they have been immunized with anti-cholera serum NOT MORE than thirty days prior to the opening of the Fair when serum alone is used, and NOT LESS than thirty days prior to the opening of the Fair when the serum simultaneous method is used. Hogs must be immunized before leaving the farm, as they will not be injected after reaching the Fair Grounds. This rule will apply both to exhibition and sale hogs.

Parties from outside the State must file with the State Veterinarian, Raleigh, N. C., a health certificate which has been approved by the State Veterinarian or Live Stock Sanitary Board of their State, showing that the above rule has been complied with.

Parties within the State will be required to comply with the above rules, and by making application to the State Veterinarian, Dr. B. B. Flowe, Raleigh, N. C., the proper quantity of serum will be furnished and injected at a cost of 1½ cents per c.c., provided sixty days notice is given prior to the opening of the Fair that said herds will be exhibited.

The base dates for computing the age of all swine shall be March 1st and September 1st.

Department C—Poultry and Pet Stock

Member American Poultry Association.

Judge, FRANK G. BEAN, Collegeville, Penn.

Director, THOS. H. TAYLOR, Cary, N. C.

Owing to the great increase in exhibits in this department, the management has found it necessary to inaugurate several needed reforms, which are jointly for the benefit of the exhibition and interested public.

Intending exhibitors will do well to read the rules carefully, as they will be strictly adhered to.

The same care will be exercised as in the past to see that all stock is returned promptly at the close of the exhibition and that all premiums won are paid in full without delay. All special premiums will be awarded strictly in the class for which they are offered.

SPECIAL REGULATIONS—READ CAREFULLY.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding the premiums.

All entries must be made with the Secretary, J. E. Pogue, not later than Thursday 6 p. m., October 11th, and specimens must reach Raleigh not later than 3 p. m., Monday, 15th. Judging will begin promptly at 9 o'clock a. m. on Tuesday. All specimens not in place at that time will be debarred from competition.

Competition is open to the world. All specimens exhibited must be the property of the exhibitor.

All specimens must be banded and will be classified and each breed grouped.

All coops must be marked with contents.

Definitions: Cock, a male specimen hatched prior to 1917; Cockerel, a male specimen hatched during 1917; Hen, a female specimen hatched prior to 1917; Pullet, a female specimen hatched during 1917; Pen, one male and four females.

Exhibitors need not accompany their fowls. When addressed to Superintendent Poultry Department, State Fair, Raleigh, N. C., with express charges prepaid, they will receive proper attention and be returned to owners at the close of the Fair.

When it is necessary that birds be shipped on Saturday in order to insure their arrival in time for judging, they will be penned and fed on Sunday at the Fair Grounds.

A contract has been closed with Spratt's Patent Limited, Newark, N. J., to coop and feed free to exhibitors all specimens entered and exhibited.

Any birds delayed in transit may be admitted at the discretion of the Executive Committee.

No advertising matter will be allowed on the coops until after the awards have been completed in each class; at this time the card giving the name and address of the exhibitor and the variety of the poultry shown will be placed upon each coop.

Any exhibitor interfering with the judges in the discharge of their duties, or informing the judges as to the ownership of any specimens, shall forfeit all claims to premiums.

Any person whose entry fee amounts to \$3.00 will be entitled to a non-transferable ticket for the week.

All display premiums in the open classes, unless otherwise stated, will be decided thus: First Prize to count 6 points, Second Prize 4 points, Third

Prize 3 points, Fourth Prize 2 points. Exhibition Pens to count double, First 12 points, etc., multiplied by the number of entries in the class.

Birds entered in pens cannot compete for single class premiums.

EXPLANATION.

Three single birds fill the class.

Three pens fill the class.

When the class is filled, first and second money will be paid, with ribbon only for third prize.

When only one specimen is in the class, ribbon only will be awarded.

When only two specimens are in the class, first honor will be awarded and second money paid.

NOTE—READ CAREFULLY.

It is the custom of some exhibitions to allow the exhibitor to fill the class by paying the entry fee, and not exhibiting the specimen. We consider this unfair, especially to the visitor, and we will not pay premiums on any specimen not in place, or of a variety other than that entered.

Our exhibition is intended largely as an educational feature, and it is our desire to encourage the breeding of pure-bred poultry and more of it. Therefore we cannot conscientiously extend an invitation to our thousands of annual visitors to see only empty coops, or containing birds obviously out of their class.

ENTRY FEES AND PREMIUMS.

HOW TO PACK EGGS.

Eggs should be packed in a tight box, a separate compartment being provided for each egg, and each egg should be surrounded by paper, excelsior, or other good packing material. Regulation shipping cartons with bran or cottonseed hulls are good. A cracked egg is a disqualification, and great care should be exercised in packing.

SHIPMENTS.

As there is no express office in West Raleigh, eggs should be shipped by parcel post. Eggs should be mailed on Friday before Fair Week. Eggs brought in person should be brought on Monday of Fair Week.

Entries must be made on blanks furnished by the Office of Poultry Investigations and Pathology, Experiment Station, West Raleigh, N. C., except in the Boys' and Girls' Poultry Club Class, which blanks will be furnished by the Agent for Boys' and Girls' Poultry Clubs, Experiment Station, West Raleigh, N. C. All entries must be in by Monday, 6 p. m., of Fair week.

No entry fee or other fee will be charged.

All exhibits are to become the property of the Fair Association unless the exhibitors desire that the eggs be returned to them, same to be made known on the entry blanks. The Association guarantees that none of the eggs exhibited will be sold or used for hatching purposes.

The judge will be required personally to place or direct the placing of all premiums.

All judging will be done by score cards.

Any misrepresentation on the part of any exhibitor regarding any exhibit shall be at the discretion of the officers in charge to cause the exhibit to be disqualified.

No exhibit can be withdrawn before the close of the show without the consent of the officers.

All communications and exhibits should be sent to Experiment Station, West Raleigh, N. C., care Dr. B. F. Kaupp.

**SPECIAL DEPARTMENT FOR BOYS' AND GIRLS' POULTRY CLUBS OF
NORTH CAROLINA.**

LINDLEY NURSERY

Three generations of the Lindley family have given time, energy, long hours of labor, and much effort to selecting and growing the best trees for Southern orchards and gardens. You can avail yourself of this experience if you write us, with a brief story of your planting plans.

Lindley's Apple Trees Lindley's Peach Trees

Each section of the South has two or three varieties that seem to be better than others. We have a big assortment, planned to meet the varying conditions. Our catalogue will tell you the varieties for various locations.

Some of the biggest and most profitable orchards in the South are Lindley trees. We grow them ourselves - we know they are true to variety. A ten-acre orchard is as good as fifty acres of corn or cotton.

Shade Trees, Evergreens, and Shrubs

Everything you need for Southern home grounds. Our Landscape Department will advise you about planning the grounds, and will supervise the work if desired. Write us for full details of our planting service.

Department D 1—Fruits

Director, W. N. HUTT.
(State Horticulturist, Raleigh.)

THE PREMIUMS IN THIS DEPARTMENT HAVE BEEN LARGELY INCREASED THIS YEAR.

As far as possible it is desirable that horticultural exhibits be brought in, set up, and entered by the growers. Where this is not possible, the Director will be glad to receive, place on exhibit, and enter for premiums all suitable horticultural products sent in. All exhibits competing for premiums must be grown in the State.

In sending in fruit for exhibition, select only those specimens that are perfect in form and color and free from all insect and fungous blemishes. Do not shake or knock off the fruit from the tree, but pick each specimen by hand, taking care not to pull the stem out. Wrap each fruit separately in paper and pack firmly in box or barrel, taking every care to avoid bruising. Label each variety and put in papers to keep varieties separate. Do not use hay, fodder, excelsior, or any other dusty material in packing. Nail up firmly and address to "State Fair, Department of Horticulture, Raleigh, N. C." Barrels of apples to compete in class of commercial barrel pack must be faced and headed. All other barrels may be closed with burlap cover.

At the opening of the Fair, plates for the variety exhibits of fruit will be furnished free by the Secretary.

A perfect plate of fruit should contain five specimens and no more, with stems attached characteristic of the variety, of high color, of uniform marketable size, free from cuts or bruises and all insect and fungous blemishes. If additional specimens are sent in by growers, the committee will select and place on exhibit the best possible plate to be made from all the specimens submitted.

Commercial box apples should be graded to uniform size, of high color, free from bruises and insect and fungous blemishes. They should be properly packed in standard bushel boxes of $10\frac{1}{2}$ by $11\frac{1}{2}$ by 18 inches, inside measurement. The boxes should be of soft, light hwood, smooth-sawed inside, and dressed outside. The ends are three-quarters of an inch thick, the sides three-eighths of an inch, and the bottom one-quarter of an inch. The attractiveness of the label will be taken into consideration.

Commercial barrel apples should be fairly uniform in size, of high color, and free from bruises and insect and fungous blemishes. Special attention will be given to brands and labels.

The Director will see that each plate of fruit is plainly marked and correctly named and the entry tag attached to the same, so that the entry can be identified by the judges without difficulty. A premium offered for a general collection of fruit will not be awarded to a mere pile of apples or other fruit, but must be for a real collection, arranged on plates and all correctly labeled, and no fruit will be counted in a collection unless it is a fair specimen of the variety. No trashy fruit of any kind will be counted merely to make up a collection. A premium for the best collection of grapes, peaches, or any other fruit will not be awarded to a mere number, but to the quality of the exhibit mainly. The Director may withhold premiums in any case where there is no competition and the article is of inferior quality, and no second premium will be given solely because there is no other exhibit but the two, but all fruits must be of good quality. No article entered for competition in any one class will be permitted to compete for a premium in any other class, excepting sweepstakes, and no exhibitor may make two entries under one entry number. No attention will be paid by the committee to any fruit or other exhibit that is not arranged in accordance with these rules. All fruit must

be shipped or brought in so as to arrive at the Fair Grounds not later than Monday noon of Fair week. The awards for fruits will be made on the afternoon of the second day of the Fair. No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work. To avoid all unnecessary walking to and fro on the part of the judges, the fruit exhibit must be arranged in consecutive space near together, and not scattered about the buildings.

In the exhibits of exotic plants in pots, the plants competing for each premium must be arranged by themselves, as the judges will not hunt among a mass of plants to find the ones competing for special premiums, and no plant in professional class will be awarded a premium unless it is a well-grown specimen of its kind. In the premium for the best and largest assortment of cut flowers each variety must be shown in a separate bottle of water or other vessel to show them properly and keep them fresh, and no notice will be taken of collections loosely thrown on the tables.

In the nomenclature of fruits, the names adopted by the American Pomological Society will rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited. A pile of fruit brought for sale merely will not be allowed to count in a general collection of fruit, as all fruits shown for premiums must be arranged on plates and remain on them until the close of the Fair.

Department D 2—Truck and Vegetables

Director, W. N. HUTT.
(State Horticulturist.)

This department, created to bring into greater prominence the truck and vegetable crops grown in this State, made a strong beginning last year. Heretofore these crops had been included in the field crops. We feel that the establishment of this department will bring the vegetable industry into greater prominence, and at the same time will greatly aid in the standardization of varieties so necessary to successful truck growing.

The exhibits for this department should be carefully packed and sent or brought to the "State Fair, Department of Truck and Vegetables, Raleigh, N. C." All exhibits must be grown in this State. The Director will be glad to receive and enter all that are sent in.

All varieties of vegetables entered for a premium must be true to name and free from blemish. They should be well selected as to uniformity, freedom from blemish, and trueness to type. Premiums offered for best collections will not be awarded for the greatest number of varieties in the collection, but they will be mainly awarded for the quality of the exhibit. The Director may withhold premiums in any case where there is no competition and the article is of inferior quality; no second premium will be given solely because there is no other exhibit but the two; all awards will be based on the quality of the vegetable exhibited. In order to avoid confusion, all exhibits of vegetables must be in place and arranged in the space assigned to this department by noon of the first day. All exhibits not in place by then will not be considered. Exhibits must not be scattered throughout the buildings.

No attention will be given to exhibits that are not arranged according to the above rules.

Exhibitors will not be allowed to discuss the exhibits with the judges, nor must they interfere in any way while the judges are at work.

Shaw University

Established in 1865

The next school year begins September 26, 1917, and closes May 10, 1918.

There are comprehensive courses of study in the College Preparatory, Academic, and College Departments, as well as in the Schools of Theology and Pharmacy. There is now offered a four-years' course of study leading to the degree of Bachelor of Science in Medicine. The last two years of this course are the same as the first two years of a regular medical school.

The Leonard Building has been enlarged and equipped with modern laboratories. Superior advantages are now offered for work in the natural sciences.

Additional machinery has been installed in Tupper Memorial, the men's industrial building.

Excellent facilities for industrial training are now provided for both sexes.

THIS FAIR WILL BE A GREAT FOOD CONSERVATION TRAINING SCHOOL.

AGRICULTURE

ALONG THE

NORFOLK-SOUTHERN

The territory along the Norfolk-Southern Railroad offers untold opportunities to the farmer who wants to succeed.

The climatic conditions are ideal, the soils are the best that can be found anywhere along the Atlantic Coast. Crop productions in corn, cotton, tobacco, soy beans, Irish potatoes, the grains, clovers and truck are record breaking.

Yields of corn being as high as 65 bushels per acre without fertilizer or work; cotton yields of $1\frac{1}{2}$ bales per acre are produced easily; Irish potatoes pay the farmer as much as \$200 per acre clear profit; soy beans yield 25 to 30 bushels per acre with very little attention; and the tobacco section is famous for its large yields of bright leaf tobacco.

Stock raising is being carried on successfully and profitably, as this section affords advantages in this line that are not easily found elsewhere.

The Northern markets are within a few hours travel, and shipping facilities are unexcelled.

RULES.

An exhibit of creamery butter will consist of four one-pound prints. It must be made from gathered cream at a factory receiving cream from not less than ten herds.

An exhibit of North Carolina factory-made cheese will consist of one twenty-pound daisy cheese.

An exhibit of dairy butter will consist of two one-pound prints, and must be made from hand separator cream and from a herd of not less than four cows.

An exhibit of farm butter will consist of two one-pound prints, and must be made without the use of cream separator.

An exhibit of cottage cheese will consist of one pint or pound.

Cheese and butter must be sent prepaid to State Fair, Raleigh, in care of Alvin J. Reed, Director of Dairy Products.

After the Fair the North Carolina factory-made cheese will be sold and proceeds returned to exhibitors. Any exhibitor wishing to make a display exhibit of butter or cheese will have his product carefully arranged and looked after. When the Fair is over the products will be sold to best advantage and remittance made to exhibitor.

Department L—Education

Directors:

JAMES Y. JOYNER, Raleigh.

(State Superintendent of Public Instruction.)

D. F. GILES, Raleigh.

Competition for premiums in this department is confined to North Carolina.

Exhibits by schools must be exclusively the work of pupils (except collections of natural specimens and working outfit) actually attending the school, and the work must have been done since June, 1916.

Exhibits by schools may include art work, fancy work, penmanship, map drawing, culinary work, collections of geological, mineralogical, zoological and botanical specimens, plain and fancy sewing by hand or machine, mechanical work, farming products, etc. Particular articles in such exhibits may compete for premiums offered in any other department, and may compete in this department, provided such entry is the work of a student, but duplicate lists of such articles must be sent with the exhibit, that entries may be made in such departments.

The male or female departments of a mixed school may compete for premiums in the name of the school to which they belong.

FOREST PRODUCTS.

All exhibits to be collected or made in North Carolina.

School Forestry Contest.

The best forestry exhibit made by any public school in each county will be eligible for competition in the forestry exhibit at the State Fair.

The school exhibits are to be displayed and judged at the county fair, provided such fair is held at least a week prior to the State Fair, and, if not, then at the courthouse. When exhibit at the county fair an award of \$2.00 will be made for the best exhibit.

All exhibits must be entered in the name of the school.

The winning exhibits in each county are eligible for entry at the State Fair,
1862. Best exhibit—First prize, \$10.00 in cash, offered by the North Carolina Forestry Association, and a gold medal.

Second Prize, \$5.00 in cash, offered by the State Federation of Women's Clubs, and a silver medal.

Third Prize, \$2.50 in cash, offered by the North Carolina Forestry Association, and a bronze medal.

These medals are offered by the State Fair.

The exhibits are to consist of collections of named and arranged specimens of the leaves, flowers, fruit, seeds, and wood of our native trees and shrubs. Specimens must be properly mounted, and must have attached to them in some way their common names. The scientific names may also be given.

The following points will be observed:

ANNOUNCEMENT

At this Fair will be the best and fastest races ever shown at the State Fair.

Seventy-eight entries have been made in the early closing events and about fifty more are expected in the open classes.

The line of attractions is elaborate and of great excellence.

The Red Cross will have charge of the Grand Stand one day.

"THE PROOF OF THE PUDDING IS THE EATING"

THE PROOF OF A

FERTILIZER

IS IN THE CROP IT PRODUCES

Many of the **LARGEST** and **MOST SUCCESSFUL** planters in Virginia, North and South Carolina are using **"UNION BRAND" FERTILIZERS EXCLUSIVELY—**

Listen: Why do you suppose these **SUCCESSFUL**, scientific farmers **PREFER** these fertilizers?

Because they recognize **THE FACT** that they have the ability to produce crops—to nourish them from the very start and carry them through to a successful maturity.

Are you using these fertilizers under your crops?

If you thought you could increase your yield per acre would you use them? A trial will convince you?
